

ALL SAINTS SMALL GROUP SERIES ON ECONOMIC JUSTICE

ALL ARE INVITED

All Saints Pasadena is *Awakening to a New Vision of Economic Justice* through a series of experiential opportunities. Please join us in reading and reflecting on honest, relevant, thought-provoking articles that will impact us as we learn and share.

We will share our thoughts and feelings on the economic injustices we observe and experience. As we collectively share our personal stories, we hope to paint a human portrait of the realities of living with injustice in our nation, community, and families.

Your participation will inspire and help lead our whole community towards creating a just economy for all.
